Welcome & Introductions		
Review of Minutes	September 19, 2019 meeting minutes approved.	
Financial Report	\$333 received from sales of t-shirts at WBC summit. \$1636 in checking. \$101 in savings.	
T-shirt sales	Sold a lot of t-shirts at WBC summit; it helped to have the card reader. Will start to sell remaining t-shirts on website. Will only put the light gray t-shirts on the website for now. Will look into USPS shipping rates.	
Community Survey	A discussion of a survey was held at the WBC summit. Should the survey be something done statewide and then distributed locally? We will wait to hear from the state, before completing one locally. It would be helpful to have a student compile the survey data; keep in mind as a project for any future students.	
Coeffective Mini-Grant	November 15 is the deadline. No requirements to use coeffective materials as a grant recipient, but it needs to be specific to prenatal education. What could we spend the grant money on that doesn't already exist? Discussed ideas for grant application, including ordering posters to hang in clinic rooms at OB offices and offering addition education materials. We want to support what WIC offices are already doing.	
BFAN Leadership	Looking for new president for coalition. Anyone interested please contact Jess.	

Next BFAN Meeting	December 12 8:30-10:00 @ Outagamie County UW Extension
