

**10/12/2022**

### **Financial Report**

Currently \$404.03 in checking and \$101.99 in savings

### **Forward Health Revised Coverage for Breast Pumps- effective 10/01/2022**

Discussion regarding breast pumps through Forward Health- manual breast pumps will most likely count as the one pump per year.

Discussed doing a sheet on how to use the form and how for mom to get a breast pump with DME information. NEB and DME information.

WIC will no longer be having pumps at the office any longer. If non- MA moms- if mom is on Forward health will get through MA.

Motif pump comparable to Spectra pump.

Medela flanges are nice but the vacuum is now + and – and unable to see what vacuum you are on. Also tubing is shorter and the flange itself is stubbier, resulting in nipple trauma.

Winnebago County Public Health is going to do the loaner pumps for emergency situation.

Discussed getting one pager out to clinics. At least get the proper electric pump instead of hand pump. Clinic staff need frequent education about Medicaid rules for breast pumps due to the turn over.

### **mPINC Maternity Practices Survey deadline to complete survey 10/17**

### **Updated Chiropractor and CST resource list**

Updated list provided

Please email Cindy with any additional providers

### **Statewide Breastfeeding Coalition Call- 10/6**

Re-establishing connections, frequency of meetings, engagement of healthcare partners

Pump Spotting- Allison has been getting emails from this person for years but now went really big- Walgreens and Target. Difficult to find cost. Waukesha was looking at getting a subscription so the community could utilize Pump Spotting.

### **BFAN Review and Updates**

Website

Charter, ground rules, officer roles

Discussed re-setting- promoting BFAN again. Looking at getting more variety in attendees: clinic, hospital staff also instead of mainly Public Health staff.

Dr. Jacoby Mosaic is now an IBCLC

Dr. Hilary Weber - pediatrician BF friendly

Dr. Sarah Wypisinski- wants to be and IBCLC

Dr. Tracy Rank- wants to be an IBCLC

## **Academy of Breastfeeding Medicine- Mastitis Protocol**

Works for engorgement, mastitis, and plugged ducts

Katrina Mitchel – was on the team that updated the Mastitis Protocol and was on Dr. Eglash’s team. She is a breast surgeon and IBCLC.

Aurora NICU- no longer have donor milk are giving formula when mom has been pumping breastmilk.

Key indicators that hospitals have to meet for breastfeeding exclusivity:

How are hospitals determining where the failure occurred? Is it staff that gave bad advice to that mom at 2 am, pediatrician that didn’t help, lack of prenatal education? Is there something we can do to better connect to help with this.

### **Community Options:**

Discussed needing a forum so people could participate online- lactation. Currently Public Health is only getting referrals from NICU. Discussed need Peer Counselors in hospital.

Hospital classes for childbirth and breastfeeding – virtual

Outagamie County WIC considering recording breastfeeding education

Parent Connection- hybrid with zoom option attended better. They have had a lot of traction for virtual.

Winnebago County- Parent Resource Hours- 3 hours in which parents can drop in for car seats, vaccinations, breastfeeding and speak with moms as First 5 FV. No appointment necessary except for car seat.

Library table top event promoting Parent Resource Hours.

2<sup>nd</sup> Tuesday Oshkosh 1-4 pm, 4<sup>th</sup> Thursday 11-2 no vaccines in Neenah have to go to Menasha.

### **MCH Objectives 2023**

Fond du Lac- will be dropping developmental screening not sure what they will do

Appleton- considering Perinatal Mental Health and Health Equity Objectives

Winnebago County- Social Connectedness and Health Equity.

Outagamie County - Adolescent Well Being and Breastfeeding Friendly Child Care/Workplace
