Welcome & Introductions		
Review of Minutes		
Breastfeeding Friendly Child Care Center LHD Updates	<p>Outagamie County Public Health has a second child care center.</p> <p>AHD has given the in-home providers the option of doing the training online or to be trained together. Many have opted to do the online training. Many of them opted not to hang posters- the center is in their home. So they opted to have more books.</p> <p>Amber- Deb and she have been working with a lot of their in- ome providers done. They are also doing non-certified in-home providers.</p> <p>Winnebago County- Doing 7 in-home providers group training. They also have 2 centers they are talking with today.</p> <p>Winnebago County – exploring making their own tool kit for work places- may wait to do businesses until the State comes out with a tool kit for work places.</p> <p>Jess said WOTFV Early Child Care will be working on Workplace Breastfeeding Support</p> <p>Fond du Lac County said they have their first training for childcare providers next week.</p> <p>Valley Association of Education for Young Children- Have offered BFAN time for a training- not sure what kind of training. Jess will find out more specifics on this and report back to the group</p> <p>Green Lake County- Workplace Objective- She has sent a postcard offering trainings to the larger businesses in Green Lake County- ie school district, larger nursing homes, Badger Bay a total of 10 businesses. Kari said she can send the editable copies to BFAN members.</p>	

	<p>Discussed the posters for the grant – group had decided to have larger posters printed. Discussed using a small laminated paper ½ sheet with a string to hang over the door handle or on a nail. Or we can create a template that people can print.</p> <p>Jess will create something and send out to the group.</p>	
	<p>Continuing Education for Providers: Currently no education on the Wood County Website. Winnebago County has a training for milk storage. Becky said the state is working on continuing education and asked for ideas- one idea was soothing babies.</p>	
	<p>BF Walk: See Walk Outline The group decided to keep our prices the same \$12 for shirts if pre-registered and \$15 the day of event. Registration will be on Facebook. Rachael will check on how do you link a paypal to your bank account.</p>
