Guests:

Topic	Discussion	Action
Welcome & Introductions		
Review of Minutes	No changes identified during the meeting. Email Cindy if there is something that needs to be changed.	
Breastfeeding Friendly Child Care Centers (BFFCC)	<p>The group was encouraged to email Dana Bain of CCRR of any newly designated BFFCC so she can give them recognition through CCRR.</p> <p>The group discussed door hangers for privacy for pumping or nursing at a child care center or workplace. The state now has door hangers that are free- but they are pretty plain looking. Judy had gotten a quote from Julie that we could get 250minimum for .87 each for a total of \$217. Jess asked if that is in color. 4Imprint quoted 250qty for 1.15- \$287.50 + 8.00 shipping. Cindy will check on NewPrinting. Dana said CCRR uses them and they give a discount for non-profits.</p> <p>Jess asked if there is interest in working in a smaller group on continuing education for BFFCC. We all have centers that were designated more than a year ago and they should have 1 hour each year of continuing education and need to have training to become re-designated after the 2nd year.</p> <p>The group discussed topics that would be interesting for continuing education for Child Care Center staff including: Baby Behaviors, Breastmilk storage and handling, infant mental health. The group discussed sending a survey to past designated BFFCC to see what they would be interested in learning for their continuing ed. Dana of CCRR said she can help BFAN get Registry Credits once we have the power point ready, who is presenting, length and location decided.</p> <p>Jess will send out an email and those interested in participating in this small group can reply.</p>	

Weight of the Fox Valley Early Care & Education Action Team	Jess and Cindy gave an overview of this group. The 2 priorities chosen for this Action team is breastfeeding support including workplaces and childcare centers and access to fresh fruit and veggies. Explained the Action Team plans to partner with BFAN for the breastfeeding support. The nice thing about partnering is that WOTFV has funding and resources that could be very helpful in outreach and education.	
Financial Update	Financial Report- \$2109.94 Shirts for the walk cost \$493 Money deposited after the Walk \$534 which was from t-shirt sales and raffles. Thedacare donated \$250 for the Walk.	
World Breastfeeding Week Walk	We discussed changing the date of the Walk but World Breastfeeding Week is always on August 1-7 so the dates do not land on a Monday-Sunday. We opted to keep the walk on the Saturday during WBW because the Big Latch has to be that day. So next year the Walk will be on Saturday August 4th.	
T-shirt Order	Women's t-shirts are \$7.50/shirt now. Discussed ordering 12 extra shirts for \$90 total. We will sell shirts at the WALC Conference for \$12.	
BFANWI Website	In the transition from Fox Valley Web Design to B2 Web Studios there was no follow through and our domain was never switched to B2. Gary received a notice it was about to expire, but cancelled it because he said BFAN was no longer his client. He did not notify us or B2 of this and our domain expired. The two companies did not communicate well. We bought BFANWI.ORG B2 and previous web host.	
	Resource List: Work in progress. Format has really changed to be one list that is organized by alphabet and has a key on each page. The group discussed the list and the primary contact for each organization. Discussed category/services list to include: hospital, office by appt, calls, home visits, group and class. Jess will continue to work with Sam Metko of Thedacare on the Resource List.	
	Post meetings on our Facebook page- put interested, going etc. Jess will create an event.	
	Resource List: Work in progress. Format has really changed to be one list organized by alphabet and a key on each page. The group discussed the list and who to list as the primary contact. By category- services	
Meeting for November & December	Both November and December's BFANWI meetings fall on holidays. The group selected 4 dates that might work to hold one meeting at the end of November, beginning of December. The dates selected were: November 29th & 30th and December 6th & 7th. Cindy will send out a Doodle Poll to the membership list.	
Next meeting:	October 26th at Aurora in Oshkosh 8:30am - 10am.
